BODOLAND UNIVERSITY REGULATIONS ON UNDER-GRADUATE DEGREE EXAMINATIONS UNDER CHOICE BASED CREDIT SYSTEM

I. INTRODUCTION:

The University Grants Commission has made it necessary to introduce uniform grading system under Choice Based Credit System (CBCS) in the entire higher education in India. The courses shall be evaluated following the grading system, which is considered to be better than the conventional marks system. This will benefit the students to move across institutions within India and across countries. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has issued the guidelines. While quite a good number of universities have already started implementing this new system, the Bodoland University has decided to introduce this system in all under-graduate (UG) programmes – Arts, Commerce, and Science – in line with the UGC guidelines in all its affiliated colleges from the academic session 2015 onwards.

The CBCS is an instructional package developed to suit the needs of students to keep pace with the developments in higher education worldwide. The student in this system has considerable freedom in choosing courses and so making his / her own personalized programme in a cafeteria mode keeping in mind necessary credit requirements of a course. Except for the compulsory and core courses of the subject option of the student, he/she is free to choose from elective courses. Each course is assigned with a fixed number of credits based on the contents to be learned and a degree is awarded on the basis of required number of credits to be completed by the students. In brief, the CBCS has following main objectives:

- To promote learner centeredness in curriculum
- To encourage inter-disciplinarity without sacrificing the domain knowledge
- To promote mobility of students and help in optimizing learning
- To allow autonomy to the teachers with built in accountability
- To continuously evaluate students and help in optimizing learning
- To introduce transparency in the evaluation system
- To promote teacher-student relation and engagement
- To improve employability among students

2. THE REGULATION:

Title: These regulations shall be called the *Bodoland University Regulations on Under-Graduate Degree Examinations under Choice-Based Credit System, 2015* embodying examination regulations relating to various UG programmes offered by all affiliated and constituent colleges of Bodoland University.

Terms: UG Degree Examinations under Bodoland University shall be based on Choice Based Credit System (CBCS) and Continuous Assessment and Grading System (CAGS) and, shall be

REGULATIONS OF THE UNDER GRADUATE CHOICE BASED CREDIT SYSTEM (UGCBCS) GAUHATI UNIVERSITY, 2019

(AS AMENDED ON 8/11/2019)

1. THE CHOICE BASED CREDIT SYSTEM (CBCS)

The Choice Based Credit System is the logical next step in a credit based semester system becoming more learner-centric. A CBCS offers the student a diversity of courses to choose from and the autonomy to decide on the place, pace and time of learning. The UGC has recommended that it is desirable for all institutions of Higher Education in the country to move to a CBCS and, together with it, implement a uniform grading system.

2. UNDER GRADUATE CBCS (UGCBCS) PROGRAMMES

The undergraduate degree programme in the CBCS will have courses spread across six- semesters. A typical semester will comprise a minimum of 15 to 18 weeks of academic work that will translate into 90 actual teaching days. Two consecutive (one odd and one even) semesters will make up an academic year. An UG course shall be of Six Semesters covering three Calendar Years (Academic Sessions – June to May). The duration of the Odd Semesters (First, Third and Fifth) shall be 'June to November', and that of Even Semesters (Second, Fourth and Sixth) shall be 'December to May'.

The dates and duration mentioned in the academic calendar concerned will be in consonance with the above schedule as far as practicable.

Each student must take admission in three consecutive Academic Sessions starting with the first semester. Students who do not enroll in the Second Academic Session will not be eligible to take admission in the Third Academic Session.

The minimum time requirement to acquire an undergraduate degree will be three years. The maximum time allowed to complete the programme will be six years.
