

ACTION TAKEN REPORT
ON
ENVIRONMENT AND ENERGY USAGE INITIATIVES

SWAMI YOGANANDA GIRI COLLEGE
SAKTIASHRAM

INTRODUCTION:

The college is committed towards sustainable development in all its endeavors. Energy efficiency involves efficient utilization of energy resources, this is necessary for sustainable development. Energy efficiency increases productivity, and significantly reduce green house gas emissions, solid waste production and thermal pollution.

INSTITUTIONAL INITIATIVES ON ENVIRONMENT AND ENERGY USAGE:

- LED bulbs has been installed in the complete campus to save energy
- Rain water harvesting/ ground water recharge well is constructed
- Separate store room has been made to store the E-waste generated by the college
- Master switch are installed outside the class rooms to switch off all the electrical appliances to save electricity
- The college campus has been declared plastic free zone
- The institution promotes the use of natural lighting and ventilation as and when possible
- Sanitary napkin incinerator and sanitary napkin disposal machine is installed and used
- Periodic mending and repairs of leaks in taps and pipes is done
- Awareness programme on save electricity and save energy is conducted in the college
- The filter of DG set is cleaned regularly
