

Gender Equity Policy of Swami Yogananda Giri College

A college should ensure that students, female and male have equal access to the knowledge and skills that are imparted on the campus. The college should ensure that there is equal participation of all students in classroom and other co-curricular activities, thus achieving the vision of gender equity campus.

The Gender Equity Vision of College:

Swami Yogananda Giri College believes in offering equal opportunity for everyone in the college campus where there is no discrimination on the basis of gender in offering opportunities, in the allocation of resources.

The constitution of India embodies the government's commitment to equality for both women and men within family, community and society. 'Gender' in this policy refers to those behaviors and attitudes which is culturally accepted as appropriate ways of being a women and ways of being man. 'Equity' means fairness and without bias. Gender equity refers to fairness and justice in the distribution of benefits and responsibilities between women and men. The concept recognizes that women and men have different needs and power and that these differences should be identified and addressed in a manner that rectifies the imbalance between the sexes.

Swami Yogananda Giri College ensure that the college took it as its responsibility in contributing to a socially just society. It can be done by ensuring equal and fair access to participation of both male and female students in all the field of education. The college encourages the development of positive attitudes and behaviors in male and female students which promote social responsibility, empathy, sensitive, equal and non-violent relationship by creating social awareness about the problems of women particularly regarding gender discrimination.
